WILLIAM JOHN STEELE. Among the manufacturing companies which are eminently deserving of especial notice in a records of the great industries of Pennsylvania is the Leechburg Foundry and Machine company, whose career of prosperity has been remarkable under the management of its experienced business manager, William John Steele, --a man of high commercial standing. He was born on the old Steele homestead, six miles south of Oakland X Roads in Washington township, Westmoreland county, Pennsylvania, October 1, 1849, and is a son of Absalom and Susan (Kistler) Steele. The Steele family is among the early settled families west of the Alleghenies. James Steele (great-grandfather) was a native of Ireland, and came to Westmoreland county in an early day. His son, Joseph Steele, was born in that county, and became an extensive land-owner and prosperous farmer. He married Barbara Blystone, by whom he had nine children. Their youngest child was Absalom Steele (father), who was born south of Oakland X Roads, July 15, 1820, and is till living in the enjoyment of good health. He has always been successfully engaged in farming and stock-raising. He is a member and officer of the Reformed church. He is a man of strong views and good general information, and stands well in the community where he resides. A republican from conviction, Mr. Steele is not an extremist, and has held the various offices of his township. He was a soldier for a short time in the late war. He married Susan Kistler, who was a daughter of Michael Kistler, and died December 23, 1886. To them were born twelve sons and one daughter, of whom twelve are living.

William J. Steele was educated in the common schools of his native township and Delmont academy. Leaving the academy, he taught four terms in the common schools,--three in Washington, and one in Salem township, Westmoreland county. In March, 1874, he became a member of the firm of Alcorn, Lauffer & Steele. Two and one-half years later he withdrew, and was a clerk for one year for G. L. Pfeffer, of Apollo. He next purchased an interest in the store known as the "Mill Store," which he conducted for a time with H. G. George for a partner, then became sole proprietor, and finally disposed of his building and goods to purchase the large Rugh farm, near Oakland X Roads, in Westmoreland county. After eighteen months' farming, he sold his farm, and in November, 1881, came to Leechburg, where he formed a partnership with Daniel Bowers, and they were engaged in the general mercantile business for several years. At the end of that time he purchased Mr. Bowers' interest, and continued to conduct the store with the best of success until April 1, 1889, when he sold, in order to accept his present important position as business manager of the Leechburg Foundry and Machine company, in which he and the president, W. A. Cochran, are the two heaviest stockholders. The company was incorporated October 11, 1887, and enlarged and built to the old works, which they purchased. In March, 1888, their entire plant was destroyed by fire; but they soon erected their present fine works, which are very capacious, covering a large area of ground and fully equipped with all modern improvements, as well as furnished with the latest improved machinery. Their mill, blast furnaces and foundries turn out principally heavy work, such as steel-works and rolling-mill machinery, rolls and ingot molds. The products of these works are in steady and extensive demand, owing to their general excellence, and the company is hard pressed to fill the orders which are constantly pouring in upon it. This company have a capital stock of \$100,000, and employ from one hundred to one hundred and fifty men, and its unexpected prosperity is, in a considerable degree, attributed to the clear-headed and

successful business management of Mr. Steele. The office of the company is in the Lewis block, Pittsburgh, and is connected with the works by telephone. The officers are W. A. Cochran, president; George Mesta, vice-president; W. D. Rowan, secretary, and R. R. Moore, treasurer.

October 23, 1875, Mr. Steele united in marriage with Jennie Spear, daughter of Armour Spear, of Oakland X Roads, Westmoreland county. They have had seven children,--four sons and three daughters: Ethel, Etta, Clifford, Barks, Maurice, Edgar and Irma.

W. J. Steele is a member of the Leechburg Presbyterian church, and has always been recognized as a good citizen and an honorable, progressive business man. In politics he is a protection or high-tariff republican, who believe in a strong protective tqariff as being the only means to fully develop and successfully maintain American industries and manufacturing interests.

successful business management of Mr. Stork. The office of the company is in the
Lacey block, Birmingham, and is connected with the works by telephone. The officers are
W. A. Cochran, president; Frank A. Moore, vice-president; W. D. Brown, secretary, and R.
B. Moore, treasurer.

October 25, 1875, Mr. Stork united in marriage with Jennie Spear, daughter of
Amos Spear of Ontario, N. York. Mr. Stork and his wife have had seven
children—four sons and three daughters: John, Eliza, Clifford, Frank, Minnie, Edgar and
Irene.

W. A. Stork is a member of the Lansburg Presbyterian church, and has also
been recognized as a good citizen and an honorable, trustworthy business man. In
politics he is a proponent of high tariff republicanism, who believes in a strong protective
tariff as being the only means to fully develop and successfully maintain American
industries and manufacturing interests.

- *Note:*

It seems nearly certain that William LUDLAM, a widower, with 7 children then of Matlock, emigrated as soon after his wife's death in 1646 as he could settle his affairs perhaps make some profitable disposition of his property. This may well have been the summer of 1647. That is was not later, if not proven, is strongly suggested by the arrival of his eldest two children in Jul 1648. The natural inference is that they were left behind in their own charge or that of relatives and sent for as soon as he was settled. The place was doubtless set by fact that his wife's brother Robert FORDHAM had been in Southampton since 1644. Despite lack of contemporaneous record until he became a miller and had dealings with the town in 1653 we believe he arrived in Boston in 1647 and proceeded shortly to Southampton, LI, NY.

He bought a land and mill in Southampton at Water Mill on Mecox Bay. The mill, formerly owned by Edward HOWELL was built in 1644 and remained in the LUDLAM family for nearly a century.

1767

22 Sept. 1832 - before the Court of Common Pleas for Monroe Co., State of Ohio, appeared Ebenezer Tingley, aged 73, to make an application for pension under the act of Congress of June 7, 1832.

He volunteered in the New Jersey Morris County Militia about the middle of June, 1776 under Capt. Zenas Condict, in the regiment of Col. Abraham Drake, and served one month. In Sept. of the same year he volunteered again the same militia under the same Capt. Condict and Col. Drake, and served one month. The first of Nov. same year, he again entered the service as a volunteer in the N.J. Militia in the Reg. of Col. Winans. He was then discharged in Dec. 1776.

In Jan. 1777, he volunteered and served 12 days. In Feb. Col. Winans again called for volunteers to capture a person who was distributing counterfeit continental money in the village of Boundbrook in Somerset Co. N.J. This applicant again volunteered and served 9 days. In April, 1777, he was drafted in the company of Capt. Crane, Lieut. Young, in the Morris Co. militia, commanded by Col. Winans. They marched to Elizabethtown and garrisoned it. He was discharged after one month. In the middle of July, 1777, he was again drafted in the Co. of Capt. Day, Morris Co. Militia under Col. Winans. They marched to Sussex Co. to protect the inhabitants who were flying from the massacre of Wyoming. He was discharged in the latter part of August. In Jan. 1778, he was again drafted in the Morris Co. militia. Drafted again in April, 1778 for one month, and again in June, 1778 for one month. This pattern continued until Sept. 1780. He was acquainted with Col. Steward of the Pa. line who was called "The Irish Beauty" being a very handsome man. He was killed by the fall of a tree in 1778.

Ebenezer Tingley stated that he was born at Mendham, Morris Co. N.J. on the 27th day of July, 1759. He has a record of his age in his Bible, which he extracted from his fathers family Bible. He lived in Morris Co. N.J. until 1793, then to Essex Co. N.J. for 1 year; then to Fayette Co. Pa. for about 9 or 10 years. In 1803 or 1804, he removed to Warren Township, Jefferson Co. Ohio, where he remained 9 or 10 years, then to Belmont Co. near St. Clairsville, where he stayed 6 years, then to the vicinity of Monroefield, Monroe Co. Ohio, where he has lived about 10 years. He mentions Henry Mott, Nathan Hollister, Robert Naylor, Reuben Thomas, Edward Archbold, and David Person, as persons who can testify to his character.

Application signed - Ebenezer Tingley

"Tingley, by my calculation (which was a hasty one) appears to have been in the service fourteen calendar months and one day (at 31 days to the month."
"/s/ E. Archbold."

My note here: Ebenezer Tingley must have died by June, 1834, according to these records which I found in the Court of Common Pleas, Monroe Co:

Journal 2, page 63 - 3rd day June Term, 1834

Ebenezer S. Tingley vs. the widow and heirs of Ebenezer Tingley, deceased.

Ibid - page 82

Ebenezer Tingley, vs. Deborah Tingley et al - suit in chancery

In Jan. 1777, he volunteered and served 12 days. In Feb. Col. Winans again called for volunteers to capture a person who was distributing counterfeit continental money in the village of Boundbrook in Somerset Co. N.J. This applicant again volunteered and served 9 days. In April, 1777, he was drafted in the company of Capt. Crane, Lieut. Young, in the Morris Co. militia, commanded by Col. Winans. He marched to Elizabethtown and garrisoned it. He was discharged after one month. In the middle of July, 1777, he was again drafted in the Co. of Capt. Day, Morris Co. Militia under Col. Winans. They marched to Sussex Co. to protect the inhabitants who were flying from the massacre of Wyoming. He was discharged in the latter part of August. In Jan. 1778, he was again drafted in the Morris Co. militia. Drafted again in April, 1778 for one month, and again in June, 1778 for one month. This pattern continued until Sept. 1780. He was acquainted with Col. Steward of the Pa. line who was called "The Irish Beauty" being a very handsome man. He was killed by the fall of a tree in 1778.

Ebenezer Tingley stated that he was born at Mendham, Morris Co. N.J. on the 27th day of July, 1759. He has a record of his age in his Bible, which he extracted from his fathers family Bible. He lived in Morris Co. N.J. until 1793, then to Essex Co. N.J. for 1 year; then to Fayette Co. Pa. for about 9 or 10 years. In 1803 or 1804, he removed to Warren Township, Jefferson Co. Ohio, where he remained 9 or 10 years, then to Belmont Co. near St. Clairsville, where he stayed 6 years, then to the vicinity of Monroeville, Monroe Co. Ohio, where he has lived about 10 years. He mentions Henry Mott, Nathan Hollister, Robert Naylor, Reuben Thomas, Edward Archbold, and David Person, as persons who can testify to his character.

Application signed - Ebenezer Tingley

"Tingley, by my calculation (which was a hasty one) appears to have been in the service fourteen calendar months and one day (at 31 days to the month."

"/s/ E. Archbold."

My note here: Ebenezer Tingley must have died by June, 1834, according to these records which I found in the Court of Common Pleas, Monroe Co:

Journal 2, page 63 - 3rd day June Term, 1834

Ebenezer S. Tingley vs. the widow and heirs of Ebenezer Tingley, deceased.

Supplied by Leona Tingley-Brewer from Autobiography of Lydia B. ton, published by the United Brethren Publishing House, Dayton, OH, 1885:

"Joseph Tingley and his family were driven from their home by the Hessians. Christian, his wife, and children with their servants took refuge in Schooley's Mountains. Joseph Tingley took his two oldest boys, Ebenezer and Jeremiah, and equipping themselves with flint-lock muskets, powder horns, home spun blankets, etc., set out for the headquarters of General Washington, not far distant. Approaching General Washington, he took off his hat and put it under his arm. Addressing General Washington he said, 'I believe I have the honor of being in the presence of General Washington'. The General replied, 'My name is George Washington. Put on your hat, daddy'. 'I came to offer you my service and that of my sons, such as it is, to help in this struggle', said grandfather Tingley. 'NOBLE OFFERING'. Fall in ranks there and at roll call report your names', directed the General.

'The Hessians had taken possession of their house and barn for headquarters, who, on leaving it, left only the bare walls.'

Dear Friends:

As I look ahead I sometimes become more like our little friend than I'd like to admit. I suppose I'd like to think that I have a lot of faith, but I must confess there are times when I'm a bit overwhelmed with the climb. When I reach those points in the work, God always reminds me of some basic principles:

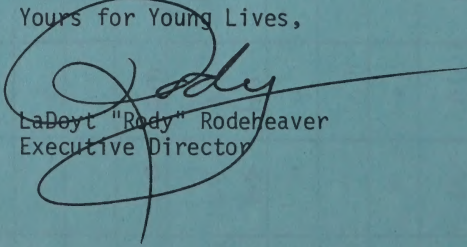

1. It's His work not mine - "He's In Charge."
2. He never calls us to do a task without providing everything we need to complete the task.
3. God raises up people to join hands and give to the cause.
4. God's timing is always perfect and it's set to an eternal clock.

This year the mountains before us are larger than ever. The Father is faithful and His principles are sure. I'm trusting Him for what lies ahead in the fall of '84'. The In Touch shows some of those challenges and I'll be updating you in the coming months.

To move into the fall confidently and to keep from falling behind financially we need to have a strong August (typically a weak-giving month). Perhaps you would consider a special gift to Youth for Christ this month. Join hands and help us climb strongly into the autumn.

We have so many people who so faithfully support our work of sharing Christ with young people. Thanks again for your prayers and gifts.

Yours for Young Lives,
